Franklin Co GA marriages:

PATTERSON, Robert - 11 OCT 1835 - Ann STRANGE

Perhaps this explains the fact that Robert and Ann "Johnson" were older when they married. I had wondered if Ann or even both of them had been married prior to their marriage to each other. It looks as though Ann Johnson had married a Mr. Strange, then later married as Ann Strange, to Robert Patterson.

## Endnotes

1. Wes Patterson, Various sources have been compiled to piece together the records on Robert Patterson, son of John and Margaret. I cannot prove it, but at this time I believe that their son Robert was this Robert who ended up in Rusk Co., Texas in the early 1850's, along with another son of J&M, Amos Patterson, plus one of their grandsons, Silas Kimsey Patterson (son of George). Family sources from the late 1800's indicated that John and Margaret's son Robert was married to a Cassie Pulasky, and had a son named John Patterson. No record has ever been found of this marriage and child. However, this Robert Patterson who married Ann Johnson (Strange) in 1835 in Franklin Co GA, was about 39 years old when he married her. She had also been married previously. I suspect that this Robert had also been married - perhaps to a Cassie Pulasky who had died by 1835. Robert Patterson needs to be found in the 1830 census in GA somewhere, and then again in 1840 somewhere in AL. These two census records should show that he had at least one child, a male, perhaps a John Patterson according to family legend. This Robert moved on to Rusk Co Tx, as did Amos Patterson. The family source did not know much about the Robert and Amos families after the 1820's and 1840, respectively. I suspect it was because they had moved on west away from the family.
2. 1860 Rusk Co Tx Census, The 1860 census lists Robert as having been born in AL, but it also looks like most of the birth locations for his family is wrong. He was married in Franklin Co GA which is on the border of SC. His son Robert L. Patterson was recorded in the 1880 Nacogdoches Co Tx Census. In that it lists both of his parents (Robert and Ann) as having been born in SC. The same is true for another of Robert's sons, Mid (Middleton Tate) Patterson. He was also in the 1880 Nacogdoches Co Tx Census with the same parental birthplaces.
